Dear Soldiers Save Lives,

We are writing to extend our heartfelt gratitude for your generous donation to the Efrat Development Foundation during Operation Swords of Iron. Your contribution is invaluable to our mission, and we deeply appreciate your support.

The equipment you purchased for the First Response Team will undoubtedly save and protect lives during this tragic time in Israel. While the duration of this conflict remains uncertain, one thing is clear: your philanthropy has a profound impact on our soldiers, first responders, and the entire community. Your incredible generosity is poised to transform Efrat's security and safety in a remarkable way.

Please know that your donation will be used thoughtfully and effectively to ensure that it creates a genuine and lasting impact in our community. We are committed to being responsible stewards of the trust you have placed in us.

Once again, we extend our heartfelt thanks for your remarkable generosity and support. We would be delighted to provide you with updates on our progress and the impact of your donation. If you have any specific communication preferences, please let us know, and we will be happy to accommodate them.

Your kindness and generosity have made a difference, and we are grateful for your partnership in this noble endeavor.

May G-d protect our soldiers and the entire nation of Israel.

Thank you very much

With sincere gratitude,

Oded Revivi
