**Dear 'Soldiers Save Lives'**

Thank You! | Toda! | תודה!

We are writing this letter to express our heartfelt gratitude to you and the entire 'Soldiers Save Lives' organization for your generous donation to support us during these challenging times in our nation's history.

Your donation allowed the squadron to purchase tactical helmets needed for the safety and well-being of our servicemen and women.

Your support is truly commendable and is not taken for granted! In times like these, your contribution goes beyond material support; It is a symbol of solidarity and unity.

Your support was shared across the squadron and has strengthened our pride in being part of the Israeli Air Force, the IDF, the State of Israel and more than ever before to the broader Jewish community - in Israel and abroad.

Lt. Col. Sagi

Squadron Commander
